## JC Multinational Consortium Holdings Corporation

is a Service-Disabled Veteran-Owned Small Business (SDVOSB) committed to delivering innovative, reliable, and sustainable solutions across consultancy, construction, real estate, transport, and outsourcing services. Headquartered in Clark, Pampanga, Philippines, JCMCH Corp leverages its diverse business units — Veterans Choice Global, VIP Transit, and Higher Gauge Builders — to serve both local and international clients with integrity, excellence, and efficiency.

Guided by strong values of empowerment, respect, and commitment, JCMCH Corp is uniquely positioned to bridge global opportunities with Filipino expertise. From helping U.S. veterans maximize their benefits, to building infrastructure and providing secure transport services, to offering cost-effective outsourcing solutions, JCMCH Corp stands as a trusted partner for organizations seeking growth, resilience, and long-term success.

## VISION

To be a leading multinational consortium recognized for its excellence in VA consultancy, investment, outsourcing, construction, and transport services, delivering sustainable and innovative solutions that drive progress across industries.

## MISSION

To serve U.S. military veterans by providing high-quality consulting and administrative services.

To maximize investment opportunities through strategic acquisitions and asset management.

To offer world-class BPO services that enhance business efficiency and performance.

To contribute to infrastructure development through high-quality construction projects.

To provide safe and reliable transport solutions that meet the evolving needs of VIP customers and DoD personnel.

To provide high quality supplies such as office supplies.

## CORE VALUES

### **Integrity**

Commitment to transparency, ethical business practices, and accountability.

### **Excellence**

Striving for the highest standards in service and operations.

### **Innovation**

Adopting cutting-edge solutions to improve business processes.

### **Customer-Centricity**

Prioritizing customer satisfaction through tailored services.

### **Sustainability**

Ensuring responsible and environmentally friendly business operations.
